DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

1. The reply filed on 13 September 2010 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): the current claims are to an invention non-elected by original presentation, and, therefore, withdrawn from consideration. The current claims are to a method of using the composition of the original claims and would be properly restricted since the composition claims have other utility as seen in the cited art. There are, therefore, no claims to the elected invention currently present. See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
